Dear Rick:

On behalf of the Pee Dee Area Council, Boy Scouts of America, please accept our sincere appreciation for your gift to support Scouting in North Myrtle Beach. Since 1928, leaders throughout the Pee Dee have been molding our boys into responsible young adults of good character.

You can be sure that with the help of this gift, the Council will continue providing services to our youth and volunteers in the areas of logistical support, education and training, Camp Coker operations, and youth and unit development.

Again, thank you for your contribution to the 2009 Friends of Scouting campaign.
