Dear Mr. Elliott:

As you know, teachers are affected by the state's budget cuts this year. Teachers in Chesterfield County are expecting a five day furlough. We are not being provided any compensation for presenting at the South Carolina Middle School Convention due to the lack of funds available. As a result, we had to pay the registration fee, gas, and food for our trip to the conference in Myrtle Beach.

Each of us is striving to be the best teachers we can be. We are all in the process of becoming National Board Certified teachers this year. As a part of the process, we wanted to present our method of getting parents involved in their child's education at the middle school conference. We feel this is an important concept to share with other teachers.

We really wanted to thank you for providing us with a place to stay for the night of the convention. It reminds us that others think providing a good education to our youth and attending staff developmental conferences are important.

Thank you so very much for the use of a condo this weekend. We feel truly blessed by your generosity!

Sincerely,
